

Social WellBeing

- Quality of life

① Connectivity - ^{of all kinds} Broadway + 9W / linkways
^{transportation}

↳ ^{accessibility} aesthetic improvement

- infrastructure - sidewalks/streets

- enforcement of existing rules ^{communication/promotion}

- across river to jobs in Beacon w/o car

② Economic mobility - ensuring future
opportunities ^{improvement + opportunities}

- investment in businesses that will hire

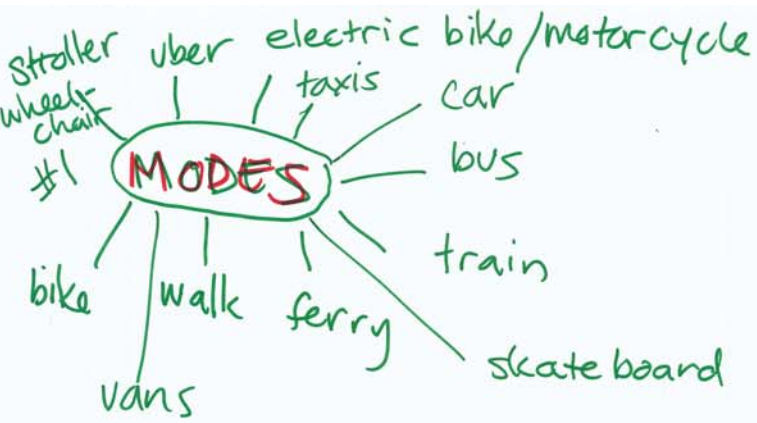

- job skills training, education

- empower entrepreneurship

- recreation

③ transportation alternatives as a strategy
to improve connectivity, get ppl to jobs and
their neighborhoods

- Recreation for neighborhoods partner organizations eg. library, religious institutions, school district
- Promoting existing opportunities
 - good organizations
 - opportunities for investment
 - community bulletin/calendar
 - existing music/arts/cultural events
 - ensure opportunities are available during out of work hours

- public + private
- holistic
- * multi-modal/integration
- more frequent service
- better coordination
- * data transparency + open data

* timing + schedule / connectivity / integration

* scanned to bicycle (b/c no infrastructure no bikeway no 'education')

- demand for carpooling, car sharing - need study to determine demand

- traffic control (turn signals, stop signs, better cross walks, narrow certain streets)

- break down of \$

- responsive system (to demand, to timing, to mode)

- low hanging fruit

- transportation education campaign

* local transportation commission - evaluate local governance

* local → regional (jobs, recreational) travel

- side walks (widened, fixed, fill-in)

* parking reasonable

- electric charging stations

- dream: revive trolley + west side railroad (freight)

- GOLF CARTS?
